September 25, 2020

Dear Ladd Families,

The children are coming back into the building and we couldn't be more excited! Bureau County's data has improved and we are out of warning status, so we will begin our blended learning plan on Monday, September 28. As a reminder, September 28 and 30 will be red days and September 29 and October 1 will be white days, so students in the red cohort will be in person 8:20-12:20 on Monday and Wednesday this week, while students in the white cohort will be in person 8:20-12:20 on Tuesday and Thursday. Friday, October 2 will be a purple day or 100% remote for everyone. Some families have selected 100% remote until the end of the first trimester and they will continue their same schedules.

Although the data has improved, we are still seeing cases of COVID-19 in our community. Please help us to keep the children in the building, by continuing to wear masks, wash your hands frequently, social distance at least six feet apart and stay home when you are sick. Together we can keep everyone safe!

See you soon!

Mrs. Michelle V. Zeko
