

Administrator and Teacher Salary and Benefit Report

Ladd Community Consolidated School District #94

2019-2020 School Year

In accordance with certain requirements of the Illinois School Code, school districts are to report administrator and teacher salary and benefit information from the previous school term to the Illinois State Board of Education by October 1, and present this information at the school board meeting before posting on the district's website. Salary and benefit information for district administrators and teachers are as follows for the most recent 2019-2020 school term.
