

Superintendent Newsletter
December 2021

As we approach the holidays, I send our wishes for a safe and enjoyable time with family and friends. While we continue to deal with issues related to the pandemic, I am so grateful to serve our fine district with a staff that remains student focused. Of course, safety is our first priority, and everyone has worked together to create the best possible school year for our kids.

Our holiday concert was held recently in our gymnasium, and it was wonderful to enjoy our students' performances! It is such a pleasure to once again see our kids participate in fine arts and sports.

Thank you to our community for all of your support of Ladd CCSD 94. It is very clear that Ladd values this community school, and we appreciate all that is done to help us. The Christmas parade and tree lighting are perfect examples of the school and Village of Ladd creating fun activities for our students and their families. We look forward to more opportunities to work together!

On behalf of our students, faculty, and administration of Ladd School, we wish you a safe and happy holiday season!

Merry Christmas and Happy New Year!
Jay K. McCracken, Superintendent
